Akin Gump Strauss Hauer & Feld LLP (“Akin Gump”), counsel to the Official Committee of Unsecured Creditors (the “Committee”) of Purdue Pharma L.P. and its affiliated debtors and

² On July 10, 2020, the Committee filed the *Motion of the Official Committee of Unsecured Creditors for Entry of an Order Clarifying the Debtors’ Obligations with Regard to Political Contributions* [ECF No. 1373] (the “Political Contributions Motion”). The Committee feels strongly about the contents and importance of the Political Contribution Motion. Nevertheless, the Committee is cognizant of the magnitude of the total dollar amount at issue. Therefore, and in an effort to obviate any misguided argument that the fees incurred in connection with the Political Contributions Motion are significant in relation to the nominal dollar amount at stake, Akin Gump has informed the Committee that it has taken a voluntary reduction in respect of this Fee Statement to account for the fees incurred in connection with the Political Contributions Motion. Specifically, the fees incurred by Akin Gump from the afternoon of Tuesday, July 7 (when it first found out about the Debtors’ postpetition political contributions) through the evening of Friday, July 10 (when the Committee filed the Political Contributions Motion) total \$98,329.50. This amount has been deducted from the request set forth in this Monthly Fee Statement to offset the amount that will be billed in connection with Akin Gump’s July Monthly Fee Statement and will not be subject to any future payment request by Akin Gump. For the avoidance of any doubt, however, the Committee believes that any argument in respect of the Political Contributions Motion focused on the total dollar figure of the Debtors’ postpetition political contributions misconstrues the importance of the relief requested thereby.

debtors in possession (collectively, the “Debtors”), hereby submits this statement of fees and disbursements (the “Eighth Monthly Fee Statement”) covering the period from May 1, 2020 through and including May 31, 2020 (the “Compensation Period”) in accordance with the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals* [ECF No. 529] and the *Order Authorizing Appointment of Independent Fee Examiner Pursuant to 11 U.S.C. § 105(a) and Modifying Interim Compensation Procedures for Certain Professionals Employed Pursuant to 11 U.S.C. § 327* [ECF No. 1023]. By the Eighth Monthly Fee Statement, and after taking into account certain voluntary discounts and reductions,³ Akin Gump requests (a) interim allowance and payment of compensation in the amount of \$3,249,619.60 (80% of \$4,062,024.50) for fees on account of reasonable and necessary professional services rendered to the Committee by Akin Gump and (b) reimbursement of actual and necessary costs and expenses in the amount of \$66,559.50⁴ incurred by Akin Gump during the Compensation Period.

**FEES FOR SERVICES RENDERED
DURING THE COMPENSATION PERIOD**

Exhibit A sets forth a timekeeper summary that includes the respective names, positions, departments, bar admissions, hourly billing rates and aggregate hours spent by each Akin Gump professional and paraprofessional who provided services to the Committee during the

³ In addition to the voluntary reduction on account of the Political Contributions Motion (\$98,329.50), the total amount sought for fees and expenses (\$4,128,584.50) reflects a voluntary reduction of \$277,615.50 in fees, including substantially all fees incurred by professionals and paraprofessionals who provided fewer than five (5) hours of service during the Compensation Period as well as certain other voluntary reductions. Thus, Akin Gump voluntarily reduced its fees by a total of \$375,945.00 during the Compensation Period. Such fees are excluded from the exhibits and the summary tables included herein and Akin Gump will not seek allowance of such fees in its interim or final fee applications.

⁴ This amount includes (i) \$807.34 for out-of-pocket expenses incurred by Committee members prior to the Compensation Period in connection with their participation on the Committee and (ii) \$54,570.25 relating to fees and expenses incurred by the Committee’s consultants. Expense reports or invoices for such amounts are included within Exhibit E.

Compensation Period. The rates charged by Akin Gump for services rendered to the Committee are the same rates that Akin Gump charges generally for professional services rendered to its non-bankruptcy clients.

Exhibit B sets forth a task code summary that includes the aggregate hours per task code spent by Akin Gump professionals and paraprofessionals in rendering services to the Committee during the Compensation Period.

Exhibit C sets forth a complete itemization of tasks performed by Akin Gump professionals and paraprofessionals who provided services to the Committee during the Compensation Period.

EXPENSES INCURRED DURING THE COMPENSATION PERIOD

Exhibit D sets forth a disbursement summary that includes the aggregate expenses, organized by general disbursement categories, incurred by Akin Gump in connection with services rendered to the Committee during the Compensation Period.

Exhibit E sets forth a complete itemization of disbursements incurred by Akin Gump in connection with services rendered to the Committee during the Compensation Period.
